REGISTRATION DETAILS

We have various registration options and rates available including group rates (4 or more 4-Hers from one Extension unit) and Bring-A-Friend options where a 4-H member can bring one non-4-H friend to the conference.

We can only accept the first 100 junior high 4-H members who register!! On-line registration for the Illinois 4-H Junior Leadership Conference is required. More information and the on-line registration link can be located at: http://web.extension.uiuc.edu/state4h/events/juniorleadership.cfm. On-line registration must be completed by January 25th and required forms and payment must be postmarked by January 26th.

A limited number of 4-H scholarships are available - the application can be downloaded from the website above and is due (with registration) by January 8, 2010.
Here’s a weekend conference planned especially for Illinois Junior High 7th and 8th grade 4-H members! This event is full of Fun; Meeting new friends; Workshops; Fun; Exploring; and, did we mention, FUN?!?!?

This weekend to challenge junior high minds has been planned by young people not too much older than the delegates -- the Illinois State 4-H Youth Leadership Team. Exciting, hands-on workshops will be taught by YLT members, University of Illinois Extension staff, and others - just look at some of the descriptions on the next page! Delegates will get to attend ALL six workshops offered, so they won’t have to pick and choose among favorites!

With a familiar location, Lake Williamson Camp & Retreat Center, we have many of the favorite facilities at our disposal. Saturday will include time to enjoy their Activity Center’s indoor pool, gyms, game rooms, and more. Lake Williamson sleeping quarters offer individual beds for four delegates or two chaperones per room in a hotel-type atmosphere.

We’ll finish off the program with a great speaker on Sunday morning. Delegates will leave feeling refreshed and enthusiastic about rising to leadership in their own communities. Delegates will depart for home at 11:30 a.m., ready with various skills and knowledge to take back to their clubs and communities.

Our annual community service project for JLC is still under development. Final details will be sent to registered delegates.

Male and female adult chaperones are also needed for this event. All chaperones must be screened by University of Illinois Extension Volunteer Screening procedures and must have completed Overnight Chaperone Certification at: http://web.extension.uiuc.edu/4hchaperone/.

If you need reasonable accommodations to participate in this program, please contact Deb Stocker at the State 4-H Office, 217/333-0910.

Viva La Leadership!
This year’s workshops have a bit of variety, just like Las Vegas!

Lights, Camera, Leadership!
Working together to reach a common goal involves teamwork. We use teamwork in everyday activities like sports and school projects. But did you know that filmmaking also takes teamwork? Come see what different jobs there are “behind the scenes”? We’ll talk about the basics of movie-making, how to set up a storyboard, and experiment with alternate scenes to your favorite movies in LIGHTS, CAMERA, LEADERSHIP!

4-H’s Got Talent
Do you have a talent that could take you to the stage? Can you be the “lead” character in the play or musical? In “4-H’s Got Talent”, you will learn about the theatre arts and acting, and how it ties into being a leader behind the scenes. It always takes plenty of teamwork to put on a show and this session will definitely prove that. Be ready to enjoy a hands-on, acting workshop that will teach you all of this and more.

Viva La Plants
Get involved in the wonderful world of plants and experience their mysteries! Enjoy learning about crop science and herbs and what they can do for you. Come with us and dig deep into the soil!

Light Up Your Personality
Like the bright lights of Las Vegas, we all have contrasting and vibrant personalities. Delegates will learn about four personality types, how these personalities interact, and how to work better with people different than themselves. Learning will be done through a personality test, group discussion, games, and hands-on activities.

Take a Chance on 4-H
Life is full of opportunities for you to showcase your true self. Learn how to transfer your 4-H values into life skills. By being in 4-H today, you will excel in your future.

Score with Safety
Delegates will learn basic personal safety skills to protect themselves. These skills will last you forever and provide you with a greater sense of safety. No matter your size, these techniques will provide you with confidence in defending yourself.
